Toledo Speedway: Sunday, May 24, Friday, Sept. 18

\$750 TO WIN!

2. \$350 3. \$225 4. \$200 5. \$150 6. \$125 7. \$100 8. \$100 9. \$100 10. \$100

THESE ARE CARS WE RACE---NOT RACE CARS!

Car: Any **stock four cylinder front-engine** hardtop coupe, sedan or station wagon. 2 cars required. Cars must be chained together—minimum 4 feet, maximum 6 feet bumper to bumper between cars. Maximum 2 chains.

Front car must have brakes fully disabled and working engine.

Rear car must have engine fully disabled and working brakes. Engine must remain in rear car.

Drivers: Must be at least 16 years of age, with notarized release or signed by both parents at the track on race day.

Driver pit passes are \$20 ARCA member, \$30 non-member. Crew members are \$20 each.

Doors must be chained or welded closed. Driver and passenger doors must be reinforced. Concrete is permitted.

Concrete must be within 4 inches of top of door. No loose material. Max. door reinforcements not to exceed 12 inches wide or extend past driver's door more than 8 inches. Ends of reinforcement must not be sharp and squared off. Front and rear passenger doors may not be reinforced. Driver's door must be padded on top of window opening.

Exhaust: Pipes may extend straight up, through hood, not to exceed roof height.

Fire extinguisher: Optional, but must be securely fastened.

Firewall: The firewall dividing the engine and driver's compartment must remain intact. All holes must be covered with metal.

Gas Tank: No more than 5 gallons of gas. Stock gas tank may be removed from original position and replaced with limited capacity (5 gallon) metal gas tank (custom, marine-type) or fuel cell. Replacement tanks must be securely mounted in front of the rear axle. All caps, fittings and lines must be secure. No plastic lines. Replacement tanks must be covered with metal firewall. Electric fuel pumps must have a clearly-marked (bright red) shut-off switch within reach of driver. Gas tank in rear car must be removed.

Glass: Front windshield must be intact and secure. Lexan may be used to replace stock windshield. All other glass and plastic must be removed. Glass inside door panels must be removed. Trunk and inside of car must be swept clean.

Hood, Trunk, Hatchback: Must be chained closed but remain open until inspected. All latches must be removed. A minimum 6 inch hole in hood is mandatory. Hood and trunk springs must be removed.

Interior: All knobs, handles, decks, seats must be removed.

Radiator: Radiator must remain in original location. NO ANTIFREEZE.

Roll Bars: A hoop style roll bar behind driver's head is recommended in both cars. Bar is to be securely braced and fastened to frame or unibody.

Safety equipment: (For both cars and drivers) 5-point harness is mandatory, in good condition. Helmets mandatory- Snell rating 1995 or newer. Drivers are to wear full coverage, fire retardant driving suit. Window nets, racing gloves and goggles mandatory. **AIR BAGS MUST BE DISCONNECTED OR REMOVED.**

Seats: Front seats should be reinforced. Rear seat and all cushions must be removed.

Transmission: Stock for make and model.

Wheels: Must remain stock.

Cars must be painted and presentable. Same number to be on both cars. Call 419-727-1100 for car number.

SAFETY EQUIPMENT SOURCE: B & H RACE PARTS-Steve Bunge 734-269-3000.

Car Entry fee: \$30 per team per race. Entry fee is due no later than 7 days from day of race. Late entry fee is \$50 per team.

STOCK IS WHAT IS ACCEPTABLE! SUSPENSION-STOCK; ENGINE-STOCK; BODY-STOCK; TIRE AND WHEELS-STOCK. IF YOU'RE THINKING, YOU ARE WRONG!

2009 FIGURE 8 TRAIN RACE ENTRY: Entry fee is \$30 per team per race. Fee due no later than 7 days from day of race. Late entry fee is \$50 per team. Fee may be paid for all 4 events at one time.

Make check payable to Flat Rock Speedway. Send entry and fee to: Toledo Speedway, 5639 Benore Road, Toledo, OH 43612.
