# What's New in 2020

## ARCA Menards Series Aligns Championship Point Structure with NASCAR National Touring Series for 2020 schedule

The ARCA Menards Series has announced a change to its championship points format, aligning the series point structure with those in the NASCAR Cup Series, NASCAR XFINITY Series, and NASCAR Gander RV & Outdoors Truck Series as well as the ARCA Menards Series East and West, formerly known as the NASCAR K&N Pro Series.

Previously, the ARCA Menards Series used a format that awarded 235 points to a race winner, 220 points for second, and then a five-point interval per position throughout the field. Five bonus points were available for winning the General Tire Pole via qualifying, for leading a lap, and leading the most laps, meaning a driver could earn a maximum of 250 points per race.

Under the new system, a race winner will earn 43 points plus a three-point bonus for winning the race for a total of 46 points, second would earn 42 points with a one-point per position interval through the remainder of the field. There will be a one-point bonus for winning the General Tire Pole via qualifying, and one-point bonuses for leading a lap and leading the most laps, meaning the maximum a driver could score by sweeping an event is 49 points.

As it has been in the past, ARCA will award teams points for competing in each five-race segment within its 20-race season. In 2020, those segments are scheduled to end at Charlotte, Lucas Oil Raceway, Watkins Glen International, and at the season finale at Kansas Speedway. Any driver

or owner attempting to compete in each of the five races per segment will earn a 50-point bonus, with any driver or owner entering and competing in all twenty races earning the maximum 200 bonus points. The same system will apply, for the first time, in the ARCA Menards Series East and West as well.

“Entering our third year as NASCAR property and now as the sanctioning body for the ARCA Menards Series East and West, we felt it was time to align our points system to fall more in line with the other national series,” said ARCA president Ron Drager. “The one-point-per-position points format has led to some great championship battles since it was implemented, and we are looking forward to seeing how it plays out in the ARCA Menards Series in 2020.”

The battle for the 2020 ARCA Menards Series championship kicks off with the Lucas Oil 200 Driven by General Tire at Daytona International Speedway on February 8. The race will be televised live on FS1 starting at 4:30 pm ET. The ARCA Menards Series East opens its season on Monday, February 10 at New Smyrna Speedway and the ARCA Menards Series West opens with the Star Nursery 150 at The Bullring at Las Vegas Motor Speedway on Thursday, February 20. Both of those races will be streamed live on TrackPass on NBC Sports Gold, and will be televised on a tape-delayed basis on NBCSN.

# The 2020 Vision - ARCA 2.0

NASCAR's acquisition of ARCA will bring about a structural overhaul to the sport's foundation and will focus on the developmental level of stock car racing – the platform between the highest level of grassroots racer and NASCAR's top three National Series.

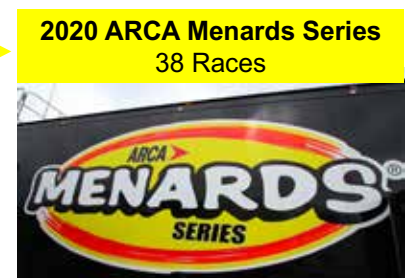

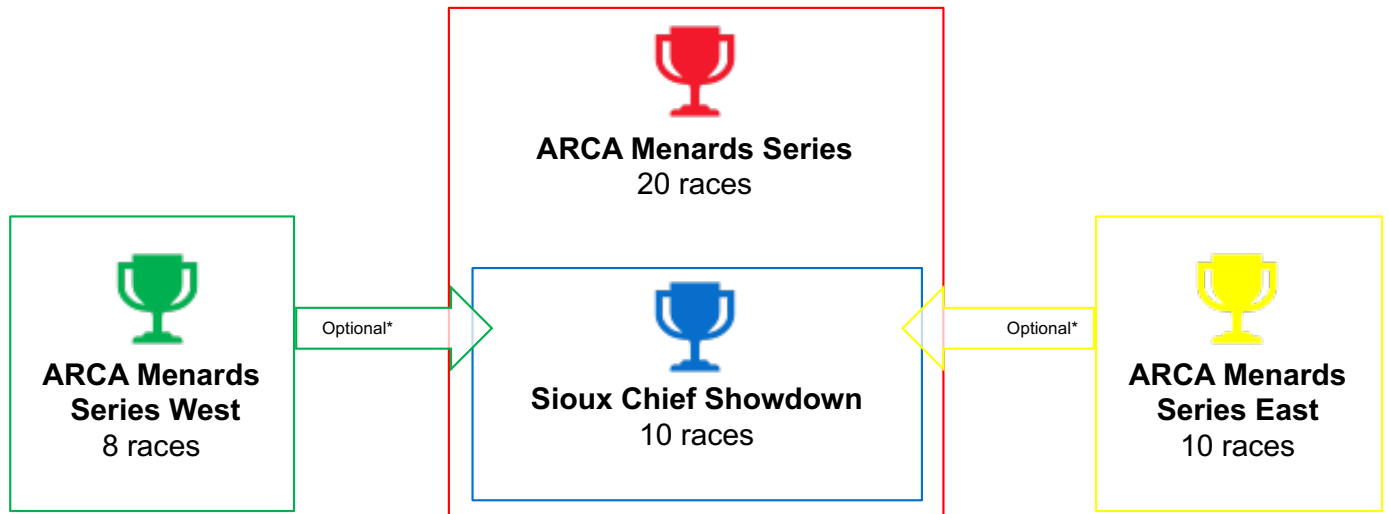

This involves the currently NASCAR branded K&N Pro Series

East and K&N Pro Series West, and the tour currently known as the ARCA Menards Series.

A merging and blending of these tours will establish the groundwork for the future of the portal to the highest level of the sport—strengthening the formative platform for both aspiring stock car racers and veteran career racers in an exciting, affordable, acces-

sible and energetic package.

The blended package will all be operated under the ARCA banners, and known as the ARCA Menards Series.

# Sioux Chief Manufacturing to Sponsor ARCA Menards Series Showdown

Ten Race "Mini-Series" to Showcase the Best of the ARCA Platform

Sioux Chief Manufacturing, one of America's leading rough plumbing components manufacturers, has signed on to become the entitlement sponsor of the ARCA Menards Series Showdown in 2020. Sioux Chief has been the sponsor of ARCA's former Short Track Challenge since the 2017 season and has agreed to increase its involvement to support one of the major initiatives of NASCAR's acquisition of ARCA.

The newly increased point fund, combined with race purses, owner plan, and contingency awards, will now offer racers a chance to compete for their share of over \$920,000 in posted awards throughout the ten-race series.

"The Sioux Chief Showdown will bring together the best teams from the ARCA Menards Series and the ARCA Menards Series East and West to give racing fans a show they've never seen before and we are honored to be a part of it," said Sioux Chief Manufacturing Company president Joe N. Ismert. "We have seen a lot of great drivers and great races in the Short Track Challenge over the past three seasons and we're excited to see what 2020 will bring."

Since 2015, Sioux Chief has been involved in the series as a race event sponsor and special awards program sponsor. The Racing Vendor business-to-business relationship with series entitlement sponsor Menards has not only created memorable moments on the race track, but has put Sioux Chief products in front of millions of customers in America's third-largest home improvement retail chain and created brand awareness among millions of spectators watching at the track and on live national television.

The Sioux Chief Showdown is a ten-race series within a series that will bring together the best of the best from the ARCA Menards Series, the ARCA Menards Series

East and ARCA Menards Series West, formerly known as the NASCAR K&N Pro Series. Those events, held on oval tracks 1.25-miles in length and under and road courses, offer drivers who may not be able or eligible to run the full 20-race ARCA Menards Series schedule the opportunity to run for a championship. Combined with the overall ARCA Menards Series championship, and the East and West championships, drivers will have four separate championships to compete for in 2020.

"We are looking forward to participating in the Sioux Chief Showdown in 2020," says Max Siegel, owner of Rev Racing. "As we approach this new series and this new level of competition, we are working hard to make the necessary preparations with our crew and team. We have a really talented group of drivers on the 2020 roster and look forward to a year of successful finishes."

The Sioux Chief Showdown will take its first green flag of the season on March 6 at Phoenix Raceway and conclude on September 26 at Memphis International Raceway. In between will be races at Salem Speedway, Mid-Ohio Sports Car Course, Lucas Oil Raceway, Elko Speedway, Iowa Speedway, WWT Raceway, Watkins Glen International, and Bristol Motor Speedway. The complete Sioux Chief Showdown broadcast schedule, including race start times and broadcast networks, will be released in the coming weeks.

The announcement took place at the Indiana Convention Center on the final day of the Performance Racing Industry Trade Show, and the site Saturday night's ARCA Menards Series Championship Awards Banquet. Ismert was on hand to present Christian Eckes the 2019 Sioux Chief Short Track Challenge championship trophy. Eckes, also the overall ARCA Menards Series champion, has signed to race in the NASCAR Gander RV and Outdoors Truck Series with Kyle Busch Motorsports in 2020.
