ELIGIBILITY REQUIREMENTS

All cars must be inspected BEFORE being permitted to practice or qualify. Inspection headquarters, at the Speedway, will open at 4 PM Thursday, May 8 for the Pre-race Practice and at 12:30 PM Friday, May 9 for the race and cars checked in for inspection, in the garage, after 12:30 PM on Friday, May 9, 2025 (EIRI) will be penalized if allowed to compete. All cars will be subject to ARCA control from the time the car enters the garage area until they are officially released after the race. ARCA reserves the right to impound and/or confiscate any part, equipment and/or race car that is altered in violation of Rule Book.

Team crew chief shall be responsible for proper/approved disposal of all tires and fluids as established by track and/or government regulatory agencies. Regardless of car count, a car/driver must record a lap time in practice or qualifying within 20% of the fastest practice lap time posted to earn a starting position and/or must prove, to ARCA officials' discretion, ability to maintain minimum lap time. No equipment will be considered approved by reason of having passed through inspection unobserved.

STARTING FIELD: Field limited to 30 starters plus provisionals. This event will be run under the 2025 ARCA Menards Series rules, procedures, regulations and specifications. In signing an entry or taking part in any of the events described in this entry blank, all competitors agree to abide by all official ARCA decisions. ARCA is under no obligation to accept this entry. Any member and/or vehicle may be restricted from pit area and competition for any outstanding obligations (fines, debts and/or suspensions).

FUEL: Sunoco Unleaded 260 GTX is the Official Fuel of the ARCA Menards Series and will be the only acceptable fuel used in competition. Sunoco Unleaded 260 GTX will be available for all 2025 ARCA Menards Series events as supplied by the authorized Sunoco representative for the event. Fuel may be tested for conformity at all events and unapproved fuel and/or additives will result in penalty. Each team must furnish approved filler cans, and each team must establish Sunoco-approved method of payment for purchasing fuel.

ELIGIBLE CARS: As listed per the 2025 Rule Book and Tech Bulletins.

LICENSED TEAM MEMBERS: All race team members participating in "over the wall" pit stops must be ARCA licensed and have signed proper ARCA Release & Waiver documents for the event. Credentials and photo ID may be checked on Pit Road, and over the wall team lists must be designated on Team Authorization Form.

DRIVER REQUIREMENTS: All rookies may be required to attend rookie meetings and/or pass rookie test before practice and/or qualifying. Drivers with no prior ARCA Menards Series experience must meet minimum driver requirements as approved by Competition Committee. Competition Committee may revise driver eligibility as to track size, type and length based on performance.

TESTING: No private race car testing or driver test runs by ARCA Menards Series teams unless approved in advance by ARCA. Private race vehicle testing by any ARCA Menards Series, ARCA Menards Series East and/or ARCA Menards Series West race team, employee, contractor, affiliate, associate, subsidiary or surrogate at any facility that appears on any ARCA Menards Series, ARCA Menards Series East or ARCA Menards Series West Schedule and/or NASCAR Cup Series, NASCAR Xfinity Series or NASCAR Craftsman Truck Series Schedule will be prohibited regardless of driver status. Teams with proper licensing & registration documents on file will be eligible to participate in any ARCA designated extended practice or "1 day prior" testing associated with race events on any Series Schedule, as well as at designated ARCA Sanctioned Open Tests. Vehicles will be identified by body, engine and tires. Violation of this policy will result in loss of championship driver and owner points, monetary fine and suspension.

QUALIFYING: Starting position will be set by each car's fastest recorded lap per the Timed Session qualifying procedure, plus provisionals.

RACE PIT STOP: Modified live pit stop procedure. There will be a scheduled caution at or near lap 50. No adding or moving tires to or from pit box once race has started.

GEAR RULE: Ilmor 3.07-3.25; Legacy & Built: 3.33-3.50

GENERAL TIRES FOR KANSAS: 1117 LEFT 2468 RIGHT **TECH PRESSURE:** LEFT 30 RIGHT 50

Per ARCA Rulebook, maximum number of tires allowed for use for this event = 16 (purchased at-track and from home; EIRI). General Tire awards are contingent on decals displayed on fender and spoiler, logo on driver's uniform and wearing cap and neckband in victory lane ceremonies.

RESERVED PROVISIONAL STARTING POSITIONS

Four provisional positions will be reserved for car owners based on current ARCA Menards Series point standings, plus two for a Golden A eligible team which competed in 100% of the series races in 2024. If Golden A not used, reserved provisional positions will revert to current car owner standings.
