RE: ARCA Approved Site and Process for Substance Abuse Screening

Once ARCA receives your paid 2026 ARCA driver license application, you will be contacted by Tyler Reamer for him to arrange to schedule your drug screen electronically. This initial test is at no cost to you as a current season ARCA licensed driver.

Quest Diagnostics is ARCA's specified laboratory to perform required substance abuse screening in accordance with ARCA's Substance Abuse Policy.

Quest Diagnostics has established the reputation as a national leader in drug testing. Their Forensic Drug Testing Labs are certified by the United States Department of Health and Human Services Substance Abuse & Mental Health Services Administration (SAMHSA). Quest Diagnostics is accredited by the Collage of American Pathologists and Forensic Urine Drug Testing Program.

If you have any questions or issues regarding the Quest Diagnostic Substance Abuse Screening, please contact Tyler Reamer.
