ELIGIBILITY REQUIREMENTS

All participants must hold a valid 2026 ARCA license (EIRI).

All cars must be inspected BEFORE being permitted to practice or qualify. Inspection headquarters at the Speedway will open at **6:00 AM on Thursday, February 12, 2026** and cars checked in for inspection, in the garage, after **6:00 AM on Thursday, February 12, 2026** (EIRI) will be penalized if allowed to compete. All cars will be subject to ARCA control from the time the car enters the garage area until they are officially released after the race. ARCA reserves the right to impound and/or confiscate any part, equipment and/or race car that is altered in violation of Rule Book. Team crew chief shall be responsible for proper/approved disposal of all tires and fluids as established by track and/or government regulatory agencies. Regardless of car count, a car/driver must record a lap time in practice or qualifying within 20% of the fastest practice lap time posted to earn a starting position and/or must prove, to ARCA officials' discretion, ability to maintain minimum lap time. No equipment will be considered approved by reason of having passed through inspection unobserved.

STARTING FIELD: Field limited to 32 starters, plus provisionals (EIRI). This event will be run under the 2026 ARCA Menards Series rules, procedures, regulations and specifications. In signing an entry or taking part in any of the events described in this entry blank, all competitors agree to abide by all official ARCA decisions. ARCA has no obligation to accept this entry. Any member and/or vehicle may be restricted from pit area and competition for any outstanding obligations (fines, debts and/or suspensions).

FUEL: Sunoco Unleaded 260 GTX is the Official Fuel of the ARCA Menards Series and will be the only acceptable fuel used in competition. Sunoco Unleaded 260 GTX will be available for all 2026 ARCA Menards Series events as supplied by the authorized Sunoco representative for the event. Fuel may be tested for conformity at all events and unapproved fuel and/or additives will result in penalty. Each team must furnish approved filler cans, and each team must establish Sunoco-approved method of payment for purchasing fuel.

ELIGIBLE CARS: As listed per the 2026 Rule Book and Tech Bulletins.

LICENSED TEAM MEMBERS: All race team members participating in "over the wall" pit stops must be ARCA licensed and have signed proper ARCA Release & Waiver documents for the event. Credentials and photo ID may be checked on Pit Road, and over the wall team members must be designated on Team Authorization Form.

DRIVER REQUIREMENTS: All rookies may be required to attend rookie meetings and/or pass rookie test before practice and/or qualifying. Drivers with no prior ARCA Menards Series experience must meet minimum driver requirements as approved by Competition Committee. Competition Committee may revise driver eligibility as to track size, type and length based on performance.

TESTING: No private race car testing or driver test runs by ARCA Menards Series teams unless approved in advance by ARCA. Private race vehicle testing by any ARCA Menards Series, ARCA Menards Series East and/or ARCA Menards Series West race team, employee, contractor, affiliate, associate, subsidiary or surrogate at any facility that appears on any ARCA Menards Series, ARCA Menards Series East or ARCA Menards Series West Schedule and/or NASCAR Cup Series, NASCAR O'Reilly Auto Parts Series or NASCAR Craftsman Truck Series Schedule will be prohibited regardless of driver status. Teams with proper licensing & registration documents on file will be eligible to participate in any ARCA designated extended practice or "1 day prior" testing associated with race events on any Series Schedule, as well as at designated ARCA Sanctioned Open Tests. Vehicles will be identified by body, engine and tires. Violation of this policy will result in loss of championship driver and owner points, monetary fine and suspension.

QUALIFYING: In timed sessions by group. Groups will be determined by random draw. No adjustments or repairs may be made on car after passing pre-qualifying inspection. All cars must make a qualifying attempt; all drivers must practice before they can qualify (EIRI).

RACE PIT STOP: Modified Live Pit Stop procedure. There will be a scheduled caution at or near lap 40. No adding or moving tires to or from pit box once race has started.

GENERAL TIRES FOR DAYTONA:

Left – 1485 (Tech pressure 30)
Right – 2642 (Tech pressure 50)

Per ARCA Rulebook, the maximum tire use at track (total, "from home" plus purchased at track) for the event is 16.

RESERVED PROVISIONAL STARTING POSITIONS: Four (4) provisional positions will be reserved for car owners based on final 2025 ARCA Menards Series owner point standings, plus four (4) for a Golden A eligible team which competed in 100% of the races in 2025. If no Golden A eligible team(s), the respective provisional starting positions will revert to 2025 ARCA Menards Series car owner point standings.

BROADCAST AND OTHER RIGHTS: ARCA exclusively and in perpetuity owns any and all rights to broadcast, transmit, film, tape, capture, overhear, photograph, collect or record by any means, process, medium, or device (including but not limited to television, cable television, radio, pay-per-view, closed circuit television, satellite signal, digital signal, film productions, audiotape productions, transmissions over the internet, public and private online services authorized by ARCA, sales and other commercial projects and the like), whether or not currently in existence, all images, sounds and data (including but not limited to in-car audio, in-car video, in-car radio, other electronic transmissions between cars and crews, and timing and scoring information) arising from or during any ARCA event and ARCA is the sole owner of any and all copyrights, and proprietary rights worldwide in and to these works, and in and to any other works, copyrightable or otherwise created from the images, sounds and data arising from or during any ARCA event. Non-compliance in any manner will result in fine, loss of championship points and/or disqualification.

POST-RACE OBLIGATIONS: Winning car and driver must report to victory lane, as designated by ARCA Officials, and follow directives. All others must report to established location of post-race impound until released by ARCA Officials after inspection/removal of issued equipment. Top 3 finishing drivers, and any others directed by ARCA officials, must comply with Media Requirements until released by ARCA media coordinator.

DECALS: ARCA MENARDS SERIES, ARCA, BOUNTY (logo updated for 2026), GENERAL TIRE (NOSE, FENDER & SPOILER), MENARDS (FENDER, WINDSHIELD & SPOILER), SIOUX CHIEF, RICHMOND, REESE'S, and SUNOCO ARE MANDATORY DECALS and must be in place prior to car going on track. All remaining contingency decals must be in place prior to qualifying. Contingency Decals must be used as supplied by ARCA or Sponsor and may not be altered regarding size, shape or color.

REQUIRED DRIVER / TEAM LOGOS: ARCA, ARCA MENARDS SERIES, MENARDS, GENERAL TIRE, SIOUX CHIEF, and SUNOCO logos are required to be permanently attached (to ARCA discretion) to driver uniform, and displayed in proper location per diagram, prior to participation in any on-track activity. Driver uniforms are to be presented at time of pre-practice race car inspection. Non-compliance with proper display at time of pre-race driver introduction will result in \$250 fine and will be doubled with each subsequent infraction. Non-compliance by winning driver in victory lane will result in \$2,000 fine. Crew chief must properly display ARCA Menards Series, General Tire, and Sunoco logos on pit road race day uniform. ARCA provided series hauler decals must be placed on both sides of team transporter. ARCA Menards Series flags must be flown from top of transporter.
