## ELIGIBILITY REQUIREMENTS

All participants must hold a valid 2026 ARCA license (EIRI).

All cars must be inspected BEFORE being permitted to practice or qualify. Inspection headquarters at the Speedway will open at **8:00 AM on Saturday, February 28, 2026** and cars checked in for inspection, in the garage, after **8:00 AM on Saturday, February 28, 2026** (EIRI) will be penalized if allowed to compete. All cars will be subject to ARCA control from the time the car enters the garage area until they are officially released after the race. ARCA reserves the right to impound and/or confiscate any part, equipment and/or race car that is altered in violation of Rule Book. Team crew chief shall be responsible for proper/approved disposal of all tires and fluids as established by track and/or government regulatory agencies. Regardless of car count, a car/driver must record a lap time in practice or qualifying within 20% of the fastest practice lap time posted to earn a starting position and/or must prove, to ARCA officials' discretion, ability to maintain minimum lap time. No equipment will be considered approved by reason of having passed through inspection unobserved.

**STARTING FIELD:** Field limited to 22 starters, plus provisionals (EIRI). This event will be run under the 2026 ARCA Menards Series rules, procedures, regulations and specifications. In signing an entry or taking part in any of the events described in this entry blank, all competitors agree to abide by all official ARCA decisions. ARCA has no obligation to accept this entry. Any member and/or vehicle may be restricted from pit area and competition for any outstanding obligations (fines, debts and/or suspensions).

**FUEL:** Sunoco Unleaded 260 GTX is the Official Fuel of the ARCA Menards Series and will be the only acceptable fuel used in competition. Sunoco Unleaded 260 GTX will be available for all 2026 ARCA Menards Series events as supplied by the authorized Sunoco representative for the event. Fuel may be tested for conformity at all events and unapproved fuel and/or additives will result in penalty. Each team must furnish approved filler cans, and each team must establish Sunoco-approved method of payment for purchasing fuel.

**ELIGIBLE CARS:** As listed per the 2026 Rule Book and Tech Bulletins.

**LICENSED TEAM MEMBERS:** All race team members participating in “over the wall” pit stops must be ARCA licensed and have signed proper ARCA Release & Waiver documents for the event. Credentials and photo ID may be checked on Pit Road, and over the wall team members must be designated on Team Authorization Form.

**DRIVER REQUIREMENTS:** All rookies may be required to attend rookie meetings and/or pass rookie test before practice and/or qualifying. Drivers with no prior ARCA Menards Series experience must meet minimum driver requirements as approved by Competition Committee. Competition Committee may revise driver eligibility as to track size, type and length based on performance.

**TESTING:** No private race car testing or driver test runs by ARCA Menards Series teams unless approved in advance by ARCA. Private race vehicle testing by any ARCA Menards Series, ARCA Menards Series East and/or ARCA Menards Series West race team, employee, contractor, affiliate, associate, subsidiary or surrogate at any facility that appears on any ARCA Menards Series, ARCA Menards Series East or ARCA Menards Series West Schedule and/or NASCAR Cup Series, NASCAR O'Reilly Auto Parts Series or NASCAR Craftsman Truck Series Schedule will be prohibited regardless of driver status. Teams with proper licensing & registration documents on file will be eligible to participate in any ARCA designated extended practice or "1 day prior" testing associated with race events on any Series Schedule, as well as at designated ARCA Sanctioned Pre-Race Practices. Vehicles will be identified by body, engine and tires. Violation of this policy will result in loss of championship driver and owner points, monetary fine and suspension.

**QUALIFYING:** Starting position will be set by each car's fastest recorded lap per the Timed Session qualifying procedure. No adjustments or repairs may be made on car after passing pre-qualifying inspection. All cars must make a qualifying attempt; all drivers must practice before they can qualify (EIRI).

**POST-RACE OBLIGATIONS:** Winning car and driver must report to victory lane, as designated by ARCA Officials, and follow directives. All others must report to established location of post-race impound until released by ARCA Officials after inspection/removal of issued equipment.
