

ARCA Teams,

In compliance with NASCAR Finance security measures, emails containing credit card information will not be deliverable. If you send a message containing credit card information from your email, it will be automatically blocked and will be returned to you.

THIS POLICY WILL RESULT IN NO CHANGE IF YOUR CREDIT CARD IS CURRENTLY ON FILE WITH ARCA; IT IS SECURE AND ENCRYPTED.

If you are wanting to pay for an item, used an approved, secure transfer method for payment that may include FAX, 734-847-3137 or by contacting Shalene Williams at 734-206-4172 or Tyler Reamer at 734-206-4171. This only applies if a new card needs to be given to ARCA or a credit card change is needed.

Thank you for helping keep company and customer information secure. Safe travels to all heading to Flat Rock this weekend.

Thank you,

Jacob Stotz | Cell: 734.735.3661
